Code of Conduct for Members, Guests and Visitors

Purpose

The purpose of this Code is to provide members, guests and visitors with guidance on the standards of behaviour that are expected of them while they are on the club premises so as to ensure everyone can enjoy amenities provided by the club in a safe, enjoyable and responsible manner.

Commitment

The Code demonstrates the shared commitment by the club management and members, guests and visitors in working together to achieve a social environment that enhances members, guests and visitors' enjoyment of the club's facilities and services.

Authority

The authority of the Code is vested in the Constitution, in particular the provisions relating to visitation and membership. In the event of an inconsistency, provisions contained in the Constitution take precedence over the Code.

3. refrain from behaviours that undermine health and wellbeing of other patrons;
4. show due consideration to the needs of others, including their right to privacy;
5. comply with club policies, signage and lawful directions of employees;
6. access the club with proper identification and fulfil sign-in requirements, if applicable;
7. ensure children are always accompanied by a responsible adult whilst on club premises;
8. abide by the dress code of the club (available upon request);
9. not bring food or drinks on the club premises for consumption on the premises;
10. not bring, or have in their possession, illegal materials while on club premises;
11. handle property belonging to the club with care and diligence;
12. refrain from representing the club, unless properly authorised to do so;
13. not pursue personal activities on club premises, without prior permission;
14. not deliberately tarnish the reputation of the club or bring it into disrepute.

Application

The Code applies to members, guests and visitors when they are on club premises. Subject to legal considerations, interpretation of the principles by the Management Committee is final.

Compliance

The Code will be actively monitored by the club. If a breach occurs and can be proven, the club will initiate disciplinary action against the relevant member(s), guest(s) and/or visitor(s) concerned, which may include warnings, withdrawal of certain privileges, and suspension or termination of membership (if applicable). Any disciplinary action under the Code will be in accordance with the Constitution and laws applicable to the club.
